DECEMBER 2013

POSTPONED: The Jumble Sale planned for Saturday 7th December has been postponed. A future date will be organised and advertised soon.

NOVEMBER 2013

The Powis Residents' Group had a very successful Community Clean Up and Bulb Planting Day on Saturday 30th November. A good number of people attended, including a dozen or so youngsters, who all got stuck-in right from the off. The bulbs were planted along the embankment beside the electric station, up in front of the cantilever swing.

The group have extended their thanks to B & Q Garthdee, Parkhill Garden Centre, Ben Reid Garden Centre, Foxlane at Carnie and Dobbies (for providing the bulbs), the bin men ("worked like troopers and went well above and beyond their call of duty") who needed two trips to take away all the collected rubbish, and to the City Council for the loan of rubbish collection and bulb-planting kit.

Most of all, they have thanked all the volunteers who showed up on the day and worked so hard for the cause. Unfortunately one of the younger volunteers suffered a burst finger from a swinging gate, but thankfully A&E confirmed nothing was broken or permanently damaged. We wish her a speedy recovery.

Fiona Lindsay, secretary of the residents group, said "There was an amazing amount of kids out there playing so just goes to show that it definitely deserves to be our priority for renewal and it'll show the kids / groups that are using it that their community is listening."

FEBRUARY 2013

Street notices by Aberdeen City Council are now up, concerning the review of the Controlled Parking Zone ([Opposition to](#)

CPZpage).

The street notices say that only 'minor' changes will be considered. This deliberately ignores the widespread opposition to the CPZ as a whole. Given the fact that those responsible for the CPZ are fully aware of the opposition within the community, and have attended our Community Council meetings regarding this, their methods come across as very cynical. Don't let them dictate what you're allowed to comment on.

**THE ABERDEEN CITY COUNCIL (OLD ABERDEEN, SUNNYBANK,
TILLYDRONE AND SEATON) (ON-STREET PARKING PLACES, WAITING
RESTRICTIONS AND ASSOCIATED TRAFFIC MANAGEMENT) ORDER 2009**

As part of the process for implementing the above Traffic Regulation Order, officers had an instruction from Committee to review the Controlled Parking Zone at least 6 months after it became operational.

The Council is now reviewing the Zone to determine if any **minor** modifications are required. It is not intended to remove any areas of the Controlled Parking Zone, but to see if any modifications are required to the parking and waiting restrictions.

If you wish to propose any minor adjustments to the Controlled Parking Zone, please write detailing your proposals to:

Louise Trayner
Aberdeen City Council
Road Safety and Traffic Management Team
74-76 Spring Garden
Aberdeen
AB25 1GN

or email ltrayner@aberdeencity.gov.uk

Proposals should be returned by Thursday 28 February 2013. Please note that any proposals should be returned as separate letters signed by an individual and should not be returned as a letter or petition with multiple signatories.

Please include your contact details in any correspondence, so that any proposals can be discussed further.

Please note that if any modifications are proposed, Aberdeen City Council will follow the same legislative procedures as were originally carried out, where further consultation will be carried out and residents would have the chance to object to the proposals.
